Dear Provider:

I would like to invite you to join us at our monthly networking luncheon on the first Monday of every month from 11:30 AM – 1:00 PM at the Greenhouse Café in Lancaster. My goal is to unite the holistic practitioners and professionals of the Antelope Valley and Mojave Desert to make it easier for the public to find the alternative services they are seeking. By bringing together our businesses, we are providing a strong networking and referral system that will aid in the growth of each and every business. Together we can support our community by connecting them to alternative options for health and wellness that are available locally. We are inviting all business owners such as Chiropractors, Yoga Studio Owners and Teachers, Day Spas and Massage Therapists, Holistic Centers, Energy Workers, Natural Birthing Centers and Doulas, Spiritual Centers, Reflexologists, Nutritionists, Reiki practitioners, Aromatherapists, Biofeedback, Sound Healing, and all other modalities.

The Antelope Valley and Mojave Desert Holistic Chamber of Commerce was founded in January 2018 by Kay Devore-Garth, a Certified Massage Therapist, Reiki Practitioner, Yoga Instructor and Access Consciousness Bars Practitioner in Lancaster. After aggressively marketing my own business, a holistic wellness center for over 7 years, I realized there was a need to bring more awareness to the holistic services available in our community and developed the Holistic Chamber of Commerce, a networking and referral organization. As a united holistic community, we have a louder voice and can bring awareness to the services available here in the Antelope Valley. Together, we can make an impact on the wellbeing of this community and grow our businesses at the same time.

Some of the benefits of membership include online marketing through the website, social media exposure through Facebook and Instagram, monthly networking and referral meetings, community presence at large events such as the Poppy Festival and Almond Festival, ribbon cuttings and online blogging of members' services. By combining our advertising and increasing our potential for referrals, holistic professionals can expand their businesses without spending as much as you would on individual marketing efforts. It can also break the isolation of being in a solo practice by having other holistic providers for support and networking.

We invite you to visit our website at www.AVHolisticChamberofCommerce.org to view the professionalism of our organization and download the membership application. You may bring the completed application to the first networking luncheon that you attend. Please feel free to call us at (661) 998-8009 if you have further questions

I look forward to meeting you and getting to know more about your business and healing philosophy.

Sincerely yours,

Kay Devore-Garth

Founder and President
